HEALTHCARE SUPPLY CHAIN TECHNOLOGY CATEGORY LEADERS

BLACK BOOK RESEARCH | Q3 2026 | 1,604 RESPONDENTS | 18 QUALITATIVE KPIS

#	PLATFORM, SOFTWARE OR SERVICES CATEGORY	#1 RATED VENDOR / ORGANIZATION*
01	Overall Healthcare Supply Chain Technology and Services Ecosystem	Vizient
02	Enterprise ERP, Finance, and Supply Chain Backbone	Infor
03	Materials Management Information Systems (MMIS)	Cardinal Health
04	Modular Cloud-Native Supply Chain Architecture and Integration	Tecsys
05	Integrated Delivery Network and Multi-Entity Orchestration	Vizient
06	Procurement Automation and eSourcing	Vizient
07	Strategic Sourcing, Contracting, and Spend Optimization	Coupa
08	GPO, Provider Coalition, and Purchasing Support Services	Premier
09	Contract Lifecycle, Price Compliance, and Leakage Prevention	Coupa
10	Supplier Networks, Data Exchange, Credentialing, and Relationship Management	symplr
11	Item Master, UDI, Product Data, and Substitute Intelligence	Symmetric Health Solutions
12	Clinical Value Analysis, CQO, and Physician Preference Optimization	Vizient
13	Surgical Implant, Bill-Only, Tray, and Preference Card Automation	Casechek
14	OR-to-Bedside Traceability and Patient Safety	SxanPro
15	Sterile Processing, Instrument Tracking, and Tray Management	Surglogs
16	Inventory, Warehouse, Point-of-Use, and Replenishment Automation	BlueBin
17	Mobile Inventory, Smart Storage, Barcode, and RFID Execution	RF-SMART
18	RTLS, Asset Tracking, and Equipment Visibility	CenTrak
19	Pharmacy Supply Chain, Medication Inventory, and Diversion Control	Bluesight
20	Medical-Surgical and Pharmaceutical Distribution and Fulfillment	Medline

21	Capital Equipment, HTM, Parts, and Asset Lifecycle Management	TRIMEDX
22	Internal Logistics, Courier, Transportation Management, and Last Mile	MedSpeed
23	Facilities, Environmental Services, Linen, and Nonclinical Supply Chain	Crothall Healthcare
24	Post-Acute, Home Health, and Distributed Care Supply Chain	Owens & Minor
25	Clinical Trial, Cell and Gene, and Temperature-Controlled Logistics	Marken
26	Resilience, Control Towers, Supplier Risk, and Disruption Response	Clarium
27	AI Predictive Procurement, Forecasting, Simulation, and Digital Twins	Oracle
28	Process Mining, Workflow Optimization, and Exception Orchestration	Celonis
29	Supply Chain Cybersecurity, Third-Party Risk, and Recovery	Amazon Web Services (AWS)
30	ERP and WMS Modernization Testing, Change, and Operational Assurance	Cycle Labs
31	Sustainability, Waste Reduction, and Circular Supply Chain	BlueBin
32	Supplier Diversity, Domestic Sourcing, Tariff, and Country-of-Origin Intelligence	Vizient
33	Robotics and Autonomous Materials Movement	Milo X Robotics
34	Federal, VA, DoD, and Government Healthcare Supply Chain and Traceability	ID Integration
35	Consulting, Implementation, Transformation, and Advisory Services	Huron
36	Managed Supply Chain Operations, Outsourcing, and Performance Services	Advantus Health Partners

* The source report distinguishes 2025/2026 public category leaders from Q3 modeled category-order leaders. This table reproduces the lead organization listed for each category. Source: Black Book Research, State of Healthcare Supply Chain Management Technology, Q3 2026.
