NOTES TO FINANCIAL STATEMENTS (Unaudited)

1. Description of the Trust

On August 16, 2022, Endo International plc and on August 16, 2022 or certain later dates, certain of Endo International plc's affiliates (collectively, the "Debtors") commenced proceedings under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court"). On March 22, 2024, the Bankruptcy Court confirmed the Debtors' *Fourth Amended Joint Chapter 11 Plan of Reorganization* (the "Plan") and on April 23, 2024, the Plan became effective (the "Effective Date").

The Endo GUC Trust (the "Trust") was established pursuant to the Plan on April 11, 2024 as a Delaware statutory trust, of which Matthew Dundon serves as trustee (solely in his capacity as the trustee of the Trust and not in any individual capacity, the "Trustee"). The Trust is presently governed by the Endo GUC Trust Agreement, dated April 23, 2024 (the "GUC Trust Agreement"). The GUC Trust Agreement provides for rights, obligations and means of governance of the Trust as contemplated by the Plan. The GUC Trust Agreement defines certain terms used in these Notes to Financial Statements.

The Trust issued Class A Units to former holders of claims arising under second lien and unsecured notes issued by the Debtors ("Notes"), and Class B Units (together with the Class A Units, the "Units") to former holders of Other General Unsecured Claims against the Debtors. In accordance with the terms of the GUC Trust Agreement, the holders of Units are entitled to receive certain cash distributions from the Trust, the initial distributions of which cash were made in the year ended December 31, 2024 and which are described in the Trust's annual report for the calendar year ended December 31, 2024 (the "Initial Annual Report"). The Trust also made in the year ended December 31, 2024 cash distributions to certain sub-trusts created for the benefit of former holders of Mesh Claims, Ranitidine Claims, Generic Price Fixing Claims and Reverse Payment Claims (each as defined in the Plan) against the Debtors (collectively, the "Sub-Trusts") and under certain circumstances will be required to, and shall, make additional distributions to the Mesh Claims Sub-Trust in the future. (The Plan and GUC Trust Agreement contemplated possible additional payments to the Ranitidine Claims Sub-Trust, but in the year ended December 31, 2024, the Trustee determined that the conditions for making such payments will not arise; *see* Note 9 to the Initial Annual Report).

On the Effective Date and pursuant to the Plan, the Debtors transferred certain causes of action and insurance rights (collectively, the "Causes of Action"), cash and certain other assets to the Trust.

Additional information and documentation concerning the Trust can be found on the Trust's website at www.EndoGUCTrust.com.

2. Certain Interim Accounting Policies

The unaudited Financial Statements (the "Statements") reflect the accounts of the Trust. The Statements have not been prepared in accordance with generally accepted accounting principles;

Endo GUC Trust

rather they have been prepared using a liquidation basis of accounting, which the Trust considers an appropriate basis of accounting at this time.

The Statements were prepared using certain accounting policies, most importantly:

- (a) no asset or liability value will be assigned to Causes of Action until and unless a judgment of damages is entered or a settlement definitively agreed, in which case the gross amount of the judgment or settlement will be accrued as an asset and the aggregate amount of contingent legal fees and litigation finance payment obligations, if any, arising from such settlement or judgment if and when funded will be accrued as liabilities;
- (b) the Trustee will not disclose the existence or progress of any mediation (except and solely to the extent the existence or progress of any mediation has become public information), the existence or status of any settlement negotiations, nor its litigation or other strategy concerning the Causes of Action, nor (except and to the extent already disclosed or required by the applicable court or arbitrator) its funding arrangements for the Causes of Action including contingency fee terms and the terms of the Litigation Financing as such term is below defined (see note 7);
- (c) unpaid invoices and unbilled works in progress of Trust professionals will not be accrued as an expense nor realized as liability – note that the exclusion of unpaid invoices from liabilities is a change in interim accounting policies made on the advice of the Trust’s external accounting firm;
- (d) amounts payable or possibly payable to beneficiaries of the Trust will not be realized as liabilities;
- (e) disclosures on a per-Unit basis will be made upon the adoption of definitive accounting policies; and
- (f) the Trustee will not consolidate or report on the finances of the Sub-Trusts.

Each of these interim policies is subject to change.

3. Receipts

During the six months ended June 30, 2026, the Trust’s receipts consisted of \$0.12 million in interest paid on the Trust’s cash balances, \$0.6 million in proceeds of litigation settlement(s), and \$0.26 million in refunds of previous overpayments of litigation expenses, totaling \$0.96 million.

All the Trust’s cash received during the six months ended June 30, 2026 was and remained as of June 30, 2026 deposited in insured or collateralized interest-bearing bank accounts, and interest paid upon such deposits is set forth above in the Trust’s Unaudited Statement of Changes in Net Assets in Liquidation. Subject to the requirements of the GUC Trust Agreement, the Trustee may

change the deposit and/or investments of the Trust's liquid assets from time to time.

4. Trustee, Trust Oversight and Trust Professional Fees and Expenses

On April 23, 2024, a five-member Oversight Board was appointed by the Official Committee of Unsecured Creditors of the Debtors. The Oversight Board's members were upon each of the Effective Date and as of June 30, 2026: (i) Morton Branzburg (designated in the interests of the Debtors' general unsecured non-funded debt creditors), Ephraim Diamond (designated as the Independent Board Member as such officer is defined in the GUC Trust Agreement), and Daniel Golden, Dennis Prieto, and Himanshu Sheth (each designated in the interests of the Debtors' unsecured and second lien bondholders).

During the six months ended June 30, 2026, the Trust expended \$1.4 million in Trustee, Trust Oversight Board and Trust professional fees and expenses. Legal services in relation to Causes of Action and Litigation Financing (as below defined) accounted for the substantial majority of this expenditure. This figure includes the portion of fixed monthly costs actually paid during the period, totaling \$0.3 million, for the monthly compensation of the Trustee and certain members of the Oversight Board. Dundon Advisers LLC, financial adviser to the Trustee, provides the Trust with office facilities and ministerial services at no charge.

5. Other Expenses

The Trust's other expenses of \$0.39 million in the six months ended June 30, 2026 consisted of bank fees and the premium paid to renew the Trust's directors' and officers' liability insurance coverage.

6. Distributions and Payments Required by the Plan

During the six months ended June 30, 2026, no distributions or payments to beneficiaries of the Trust or providers of the Litigation Financing were required to be made by the Plan or the definitive documents of the Litigation Financing, respectively, and, as the Trust did not elect to make any voluntary distributions or payments, no such distributions or payments were made.
